

Best Practices I

Title of the practice: Gender Equity

Objectives of the practices

The main objective of women's Forum is to create an awareness regarding their rights, the opportunity available to them and there by inculcating values in them. To fulfill their aim and talks are organized.

The Context:

Most of our girls' students come from rural background and therefore they don't have enough exposure to the issues concerning women. The forum tries to make them aware of the challenges faced by women today.

The Practice:

The forum regularly organizes talks on issues related to women such as health and hygiene, legal awareness. The forum also organizes programmes on skill development and crafts. These programmes are organized with the intension of enabling the students in doing something on their own and become financially independent in future.

Problems Encountered and Resources Required: Students are from rural background are facing financial constraints and transportation problems also. Their exposure with to the challenges and opportunities regarding women is limited. As they come from interior places it is difficult to make them stay after the college hours.

Notes (Optional): The forum conducts essay competitions on topic related to women in three languages- English, Hindi and Kannada.. The forum has created awareness among the girl students regarding their rights and opportunities available to them. They have more exposure and skill development programmes useful to them.. This can be implemented in other institution
